

Redeeming eBooks

Refer to the Information sheet you received with your iPad. This contains an individual eBook username and password (highlighted in green →)

- Different book publishers will have different apps which have been preinstalled onto the iPad. Example: Folens, Edco, Educate etc
- Gather all schoolbooks and arrange according to publisher. Example: all Edco books bundled together and the same for Folens, Educate, etc
- Click on this link OR scan the QR code to watch the video on redeeming eBooks and begin the process of redeeming each book individually:
